SUMMARY

Highly motivated and enthusiastic student with a solid foundation in modern technologies. Proficient in HTML5, CSS3, JavaScript, and responsive design principles. Skilled in using popular frameworks and libraries. Actively seeking opportunities to contribute to real-world projects and enhance technical skills professionally.

WORK EXPERIENCE

Currently I am a fresher but have done several freelance projects.

Freelancing

Self Employed (2022 – Present)

Delivered responsive and visually appealing websites, demonstrating a keen eye for detail and client requirements. Collaborated effectively with clients to translate their visions into functional and aesthetically pleasing online solutions.
